

PLANTING STOCK AVAILABILITY LIST SPRING 2024

Species	Provenance	Age & Country of production	cm	Pence ea per 100	Pence ea per 1000
Abies bornmuelleriana Bornmueller's Fir	No availability until this coming Autumn, which will disappoint a great many customers. This species has the potential to become the first choice for UK growers. We have sown large quantities of seed on contract in 2023 in Denmark from two different seed orchards to ensure future supplies
